PROFESSIONAL SUMMARY

Results-oriented Data Professional with over 10 years of experience in Systems Engineering and Database Administration. Expert in designing and optimizing ETL pipelines, managing complex RDBMS (MySQL, PostgreSQL, Db2), and implementing data-driven solutions. Proven track record of leading technical projects from inception to scalability, with a focus on enhancing data integrity and operational efficiency.

TECHNICAL SKILLS

- **Data Engineering:** ETL/ELT Pipelines, Data Architecture, Shell Scripting, Airflow, Kafka.
- **Databases:** MySQL, PostgreSQL, IBM Db2, NoSQL, RDBMS Management, Schema Design.
- **Programming:** Python (Pandas, NumPy), SQL, C++, C#, Linux/Unix Shell.
- **Tools & Cloud:** IBM Cloud, Docker, Jupyter Notebooks, Git, MS Office Suite.
- **Soft Skills:** Strategic Leadership, Project Management, Bilingual (English/Spanish).

PROFESSIONAL EXPERIENCE

Hobbie 3D Print

La Paz, Bolivia

Owner and CEO

2018 – 2023

- Led technical and strategic direction, optimizing 3D printing workflows using Python and C++ scripts.
- Built and managed data-driven financial forecasting models and inventory logistics systems.
- Automated administrative reporting and supply chain tracking, significantly increasing operational efficiency.
- Orchestrated marketing and branding strategies that secured consistent annual revenue growth.

Velarde Construcciones SRL

La Paz, Bolivia

Project & Database Coordinator

2013 – 2018

- Administered MySQL databases, ensuring high availability through backup protocols and query optimization.
- Designed and deployed custom inventory management databases to reduce resource waste.
- Managed international logistics and cross-border electronic fund transfers (EFT).
- Bridged the gap between technical field operations and administrative financial reporting.

Aceros Arequipa

La Paz, Bolivia

Database Administrator

2012 – 2013

- Managed MySQL environments, focusing on database security, performance tuning, and schema design.
- Leveraged virtual machine (VM) deployments to maximize server hardware efficiency.
- Resolved complex IT infrastructure issues and maintained overall network stability.

Universidad Católica Boliviana

La Paz, Bolivia

Technical Instructor

Sept 2023 – Oct 2023

- Delivered advanced technical training on post-processing for high-precision 3D engineering components.

EDUCATION

Universidad Privada Boliviana

Cochabamba, Bolivia

Bachelor of Science in Industrial and Systems Engineering

2012

CERTIFICATIONS

- **IBM Data Engineering Professional Certificate**
Coursera — [Verify Credential: W8KEPFZX9XGF](#)

Oct 2023

LANGUAGES

- **English:** Professional Working Proficiency (C1/B2 level).
- **Spanish:** Native.
